

EZ SANDTM PRO

For a beautiful finish every time!

**Includes 3
versatile shapes**

The EZ Sand Pro makes it easy to use your electric palm sander on complex curves, angles and shapes. Get the quick, even and professional finish of an orbital palm sander on all your complex shapes. With three versatile shapes included: 90 degree right angle, 110 degree angled with 1/2" radius fillet curve, and a 3 3/8" radius curve, the EZ Sand Pro will help sand a variety of different applications. Nesting for convenience and versatility, the EZ Sand Pro works with any standard 1/4 sheet sander. A real time-saver!
