

Little WIZARD™

Needle and Pin Detector

Metal Detector for Seamstresses, Tailors and Sewing Enthusiasts

Economical safety & sewing machine protection

The Little Wizard is a precision hand held metal detector, perfect for scanning fabric to locate lost needles and pins.

The Little Wizard will pinpoint the exact location of metal. It is widely used by professional seamstresses, tailors and sewing enthusiasts everywhere.

Its small size and unique detection strength allow it to be used on virtually any fabric or cloth where needles, pins or other small metal objects may exist.

Prevent injury and save equipment from damage.
