

LUMBER WIZARDTM 4

Laser-Line Visual Indication

A powerful, precision Metal Detector Made For Woodworking

Helps prevent costly damage to woodshop equipment

The Lumber Wizard 4 is the latest version of Wizard Industries' flagship woodworking metal detector. A powerful precision hand-held metal detector designed specifically for woodworkers, it helps detect small metal objects hidden inside new or used lumber. The new version features a laser-line generator that provides a bright visual reference of where metal is detected. Undetected nails, screws or other metal fragments can damage expensive jointer, planer and saw blades. Flying metal can also cause serious injury. Easy to use, the Lumber Wizard 4 helps woodworkers prevent equipment damage and personal injury. The unit includes a beep tone alert, allowing use of the Lumber Wizard 4 with or without the laser activated. The Lumber Wizard has received rave reviews from woodworkers and magazines across the country for over 10 years, and the new version is even better!

- Bright laser-line indicator
- Helps pinpoint nails, screws, bullets and wire inside new or used lumber
- Helps prevent costly blade damage and shop down time
- Quickly scan any size wood
- Not affected by moisture content of wood
- 6" wide scanning area
- Durable, sturdy plastic casing
- One 9 volt battery required
- 1 year warranty

Lumber Wizard 4 Product Specs:

UPC Code: 721633111269

Wizard Stock Number: 25510

Dimensions: Length 18"; Width 3 1/8"; Height 1 1/8"; Weight 10.3 Oz.

Color/s: Black

Packaging Type: Clamshell

Package Dimensions: Height 21 1/2"; Width 8"; Thickness 2"; Weight 15 Oz.

Master Carton: 12 Units, 24" x 12" x 12", 14 lbs

Types of Metal Detected: Responds to all types of steel, stainless steel, zinc, magnesium, aluminum, copper, brass, etc.

Electronics: Laser-Line Generator Metal Detector. Unit operates with an automatic tuning transmit/receive circuit. Provides precision detection pattern to help prevent false alarms.

Operating Frequency: 13 kHz/6,600 Hz

Power Requirements: One 9 volt standard alkaline battery. Typical battery life is up to 30 hours depending on use of laser. Battery is not included.

Switches: On switch; off switch; laser indicator switch; audio alert switch; and fine tuning adjustment screw.
