

MEASURE LEVEL

More than a level,
More than a straight-edge!

The Wizard Measure Level is one of the most versatile tools on the market. More than a level, more than a straight-edge, its combination of straight edge, level, and unique movable Marker/Pivot blocks give it a wealth of possible uses. Use it to scribe or draw circles and arcs. Use it to hang pictures, mark your walls for shelving, cabinets, curtains, bathroom fixtures, and many other possibilities. Get creative with your picture hanging, and take the guesswork out of getting them level with each other and evenly spaced. Ideal for DIY projects and professional installations. The Measure Level will save time, money, and ensure accurate results.
