

The WIZARD™

Mail and Package Scanning Detector

Hand-Held or Desktop Metal Detector for Scanning Mail and Packages

The Wizard Mail and Package Scanning Detector is a powerful precision metal detector designed to easily and quickly scan small packages and stacks of mail. It helps detect small, potentially dangerous metal objects that are hidden inside mail or packages. Easy to use, the Wizard Mail and Package Scanning Detector helps secretaries, package handlers, or anyone, maintain a more secure environment. The unit can be used hand-held, as a surface scanner, or on a handy desktop stand. It provides the most powerful and sensitive scanning possible.

- Helps detect nails, blades, triggering mechanisms, or other potentially dangerous metal objects inside mail or packages
- Quickly scan packages up to 6" x 12" x any length
- Wide scanning area
- Durable, sturdy plastic casing
- One 9 volt battery required (not included)
- 1 year warranty
